

# Borderlander Ambush

## Précis:

- Attempt to assassinate the King, Seifrid Nerval.
- Nerval is travelling by coach from the Palace to one of his country estates.
- The attack will take place within sight of the Palace walls (so guards are on their way almost immediately. The reason for the attack taking place close to the Palace is that the carriage drivers take different routes through the city to thwart assassination attempts.
- The attack is orchestrated by the Hibernian Princes.

## Outs:

- The city guards turn up
- the party are captured and taken aboard the ship to be sold as slaves

## Purpose:

- Establishes the borderlanders as NPC opponents
- Leads to the Borderlanders Ship, Black Ondine
