Words: Ord kan ikke redde deg (Words cannot save you)

Colours: Black

Alignment: Neutral

Gromm is a grim and unforgiving god, ever watching from atop his mountain in dark clouds and obscuring mists, ready to pass a disapproving judgment on any and all. However, he is also said to value courage and tenacity in mortals.

It is best to avoid doing anything that would draw Gromm's attention, as the god brings down only trouble and doom. As a result, he is not so much worshipped as invoked in curses and expletives, or when trying to gather one's courage. This does not however imply that he ever does anything, good or bad, to mortals; it is said that his sole gift to men is to bestow them at birth with the courage to survive, persevere, and vanquish adversity.
