Level Progression

The level progression table contains the skill points the player gets to spend on abilities when they gain a new level. Abilities that are innate to all characters are marked thus ☆. All characters get them for free at first level. Abilities that are specially innate to your archetype are marked with a ★. These are also free, but are special to your archetype. Your character automatically receives all innate abilities at first level. Abilities that we recommended you purchase for characters of this archetype are marked with a ! symbol.

Purchasing Abilities

Abilities are purchased using points. There are four different point types: Lore \blacksquare , Martial \rtimes , General \checkmark , and Magical \checkmark . Starting points for the archetype are specified in the previous section. The following sections contain point costs for ability levels in the following form: $\blacksquare / \rtimes / \checkmark / \checkmark$.
